Container Hire – 100 days +

Dear Customers,

Neptune Pacific Line (NPL) have undertaken a review and published the allowable free time for both our import and export container hire by region.

In the extreme cases whereby either an import or export customer have held onto the container (s) for over 100 days then we reserve the right to consider these “as sold” whereby a depreciated value of the container along with the outstanding detention will be presented to the customers for payment.

Please be guided accordingly.

Yours Sincerely

Neptune Pacific Line (NPL)
