Trade Notice New Direct Australia to Norfolk Island Service

Dear Valued Customers,

We are pleased to advise our customers that Neptune Pacific Line & Pacific Direct Line will be re-instating the direct Australia to Norfolk Island Service from September.

Replacing the chartered vessel (Southern Tiare) with our own tonnage, we are no longer subject to the recent external influences affecting vessel scheduling.

This improved service will allow us to adapt to the changing nature of the Norfolk Island market & re-affirm our long term commitment to this important service from Australia.

M/V Capitaine Quiros will operate between Brisbane and Norfolk Island every 45 days, with Melbourne & Sydney cargo being centralized to Brisbane.

The schedule will be as follow:
