TRADE NOTICE

Norfolk Island Trade – Freight and Stevedoring rate increase

Dear Valued Customer,

The Norfolk Island Regional Council have recently announced an increase in the Lighterage Penalty charges which is based around an increase in staff wages effective from 01st July.

As we are unable to absorb such increases, the Stevedore / Lighterage surcharge will be adjusted to AUD \$17.00/revenue tonne from the Norfolk Guardian V156.

Due to increased operational costs and in order to provide a suitable service frequency to Norfolk Island, freight rates to Norfolk Island will also increase by 5% from the Norfolk Guardian V156.

Neptune Pacific Line remains committed to providing sustainable shipping service for our customers and appreciate your continued support. Should you have any questions please don't hesitate to contact our Customer Service Team on au.cs@neptunepacific.com
