Trade Notice

**Re: Australia to Norfolk Island – Auckland Cargo Handling surcharge**

Dear Valued Customers,

Neptune Pacific Line (NPL) wishes to update our customers that following our trade notice of the 16<sup>th</sup> January 2020 which referred to the deployment of the Southern Tiare within the Norfolk Island trade lane, which resulted in the modus operandi changing from a container to break bulk operation.

With above in mind, for cargo originating in Australia and transshipping via Auckland an “Auckland Cargo Handling” surcharge will be implemented and applied at AUD 65/RVT.

The above surcharge will apply effective Southern Tiare v26 etd Auckland 15<sup>th</sup> March 2020.

NPL apologies for both the inconvenience and application of this increased cost which is a requirement for service sustainability.

Thank you in advance for all your support and understanding, should you have any points of clarity please don't hesitate to contact your regional Customer Service Team.

Kind regards,

Neptune Pacific Agency
