NOTICE TO SHIPPERS Nauru Terminal Handling Container Surcharge

Dear valued Customer,

Neptune Pacific Line confirm that a review of the current Nauru THC highlighted that the existing THC insufficiently contributes toward recovery of continuing high costs including empty container recovery and port overtime. Accordingly the THC will be adjusted to AUD 650/teu applicable to both dry and reefer containers effective Capitaine Quiros v62 ETA Nauru about 8th May 2017.

Meanwhile we will continue to monitor costs and review the THC appropriately.

Should you have any questions please don't hesitate to contact our Customer Service Team on customerservice-australia@neptunepacific.com
