### Auspac Service Change – Tonnage Upgrade

Dear Valued Customers,

Neptune Pacific Line (NPL) wishes to advise that the service will be undertaking tonnage redeployment over the coming months ensuring we meet and exceed the growing demands of our valued customers whilst continuing to provide comprehensive, market leading liner shipping services to and from key Pacific markets.

The adjustment to tonnage deployed will commence with the phasing out of the Pacific Venture. The Pacific Venture V12S will only discharge cargo through Sydney and Melbourne (Brisbane imports will be transhipped via Sydney and loaded upon the Forum Pacific v173) all export cargo booked on the Pacific Venture v13N from Melbourne, Sydney and Brisbane to Noumea, Port Vila, Fiji, Apia Samoa, Pago Pago and Nuku'alofa will be loaded directly onto the Forum Pacific v 173.

The Forum Pacific V173N schedule will be as follows:

Vessel	VOY	LLOYDS	MELBOURNE	SYDNEY	BRISBANE	PORT VILA	LAUTOKA	SUVA	APIA	PAGO	NUKUALOFA	AUCKLAND - OFFHIRE
Forum Pacific	173N	9359674	20-Jan	17-Jan	23-24 Jan	28-29 Jan	31Jan-01Feb	01-03 Feb	05-05 Feb	05-05 Feb	07-08 Feb	12-Feb

The Forum Pacific will be phased out of the service upon discharge Nuku'alofa and off hired in Auckland / Tauranga range. All southbound cargo to Australia will be loaded on the Forum Pacific and will be discharged in Auckland for transshipment on the Trans-Tasman service.

Upon phasing out of the Pacific Venture and Forum Pacific, these vessels will be replaced with two sister ships operating on a similar rotation and capable for carriage of dry, reefer, break bulk and project cargoes. More information to follow in due course.

NPL apologise for any inconvenience caused during this tonnage upgrade.
